Notification.

Sealed tenders duly signed by the contractors will be received in the Office of the Executive Engineer, Water Supply Division, Bangalore up to 3 P.M. on 24th November 1953 for the following items of work.

1 The contractors having good experience in such works and large organisation shall quote for such individual items of work both in words and figures and the rates shall hold good till the works are completed. The rates quoted shall include provision for payments of sales-tax, royalty or any other tax due to Government. They should also include, lead, lift, scaffolding, rehandling, centering and uncentering, watering curing and tidying up. The department will arrange for supply of water near about the work spot at Government cost.

2 For lumpsum provisions or for non-tendered items, the rates will be as per current minimum schedule of rates prevailing in the Bangalore Division (Magadi Taluk), in the case of the schedule items. For other items the rates based on the date approved by the Department and arrived as per the above minimum current schedule of rates will be allowed.

3 No conditional clause will be accepted.

4 No cheques will be accepted for earnest money and no request for adjustment of amount due by the Government can be entertained.

5 Tenders should be accompanied by Treasury challan for having credited the earnest money of Rs. 5,000 under "*Revenue Deposits*" and the challan has to be got countersigned before being presented to the Treasury for remittance. After entrusting the work to the successful tenderers the challan enclosed by the other tenderers will be returned to them duly endorsed for refund. Refunds can be had from the treasury where the amount was first deposited.

6 Plans can be seen in the office of the undersigned on all working days between 2 P.M. and 4 P.M.

7 Printed tender forms can be had in the office of the undersigned on payment of annas four per form. Tenders submitted in other printed forms not issued by the office under the authority will be rejected.

8 The successful contractor shall bind himself to abide by the Departmental rules and specifications in force and shall execute the necessary agreements within seven days from the date of intimation of acceptance of his tender failing which his tender will be cancelled unconditionally and his earnest money forfeited.

9 The final acceptance or disposal of the tender in full or in parts or in any manner, will vest with the Chief Engineer of Mysore, Public Works Department, Bangalore, who is not bound to accept the lowest or any tender or assign any reason thereof.

10 The cost of material supplied by the Department owing to non-availability in the market or for other reasons will be recovered from the Bills of the contractor at ledger or market rates, whichever is higher with usual centage.

11 Reserve and earnest money deposits will be repaid only at the settlement of final bill.

12 Tendered contractors will have to pay compensations as per Workmen's Compensation Act to the workmen under their employment injured, disabled or killed in or during the execution of work, failing which the amount will be deducted from their bills for payment to the injured or the legal heirs of the deceased.

13 The work should not be sublet to others.

14 Quantities given in the notification and schedule are approximate and are liable for alteration. No extra rate will be allowed for such alterations.

15 Tenders submitted on percentage basis will be rejected.

16 All stones required for the above work should be obtained from T. G. Hally Quarries of Gangapuranahalli and Shanbhognahalli.

17 For all disputes in regard to this work either in respect of rate, quantities, design or execution process, etc., the decision of the Chief Engineer of Mysore, Bangalore, shall be legal and finally binding.

18 The contractor should bind himself for the good behaviour of his agents.

19 Plan and specification are subject to change and no extra claims will be admitted on this account.

20 Income-tax clearance certificate granted by the Income-tax Department will have to accompany the tender.

21 All waste material and debris should be cleared immediately from the work spot at contractors cost and stocked at least 100 feet away from the outer edge and the work spot kept clean for further collection of material at contractor's cost.

22 Monthly minimum progress of Rs. 30,000 will have to be guaranteed by each contractor. This amount of Rs. 30,000 is only the minimum and the actual quantity of the work done should be substantially more than Rs,30,000 amount so that the entire construction of the new filter house is completed within one year from the date of acceptance of the tender.

23 Failure to fulfil the above condition would entail levy of penalty of Rs. 100 per day from the date of default. If the total of such fine exceeds Rs. 1,000 the contract will be cancelled and work executed by other agency, the extra expenditure to the Department on this account being recovered from the defaulting contractor. The earnest money will also be forfeited.

24 If any defective work is executed not approved by the Department, contract will be terminated immediatel
